

# FIRE INSTRUCTIONS

## IF FIRE BREAKS OUT OR IF YOU SMELL SMOKE – IMMEDIATELY:

- Warn personnel in the immediate area.
- Pull the nearest fire alarm.
- Fight the fire only if it is small and visible, using the fire extinguishers provided.
- Follow instructions from Exhibition Park staff.

## ALWAYS:

- Report all fires regardless of size.
- Know how to operate the fire extinguishers.

## WHEN THE FIRE BELLS SOUND:

- **EVACUATE IMMEDIATELY!**
- If you are taking out livestock they must be controlled at all times.
- Evacuate livestock only if safe to do so.
- Livestock may be taken to the former auto-track area by “B” Building.
- Be calm; leave the building through the nearest exit.
